

NOTICE PROTECTION

This is an additional service E&M provides. The cost of this service is \$149 for 2024..

This service protects you in case of an IRS or state letter, we will do the work for you. We will CALL the IRS, saving you hours and hours of your time on hold, we will RESPOND, and we will FOLLOW UP.

WHY? We want you to let us help you. The IRS has been sending more notices than in previous years and if you ignore them, it will cost you MORE in interest and penalties. Along with more notices, the agencies have historically had low staffing which makes the process more time consuming.

WHAT WILL WE DO?

Upon receiving a notice, you will notify E&M of the notice received and we will do the following:

- Have you sign a Power of Attorney; this form will allow E&M to talk to the IRS on your behalf.
- Call the IRS and figure out why you received the notice and what needs to be done to clear this notice.
- Notify you on how we will need to resolve the matter.
- Collect additional information if needed.
- Respond to the notice.
- Track and follow up to make sure the notice(s) have been resolved.

Engaging in notice protection does not protect against paying additional taxes, penalties, or interest if the IRS or other state agencies conclude that there should be additional taxes paid. E&M will not be responsible for any additional taxes, penalties or interest. We will be able to explain why and what can be done to minimize these taxes.

The notice protection is per year, paying for the protection will provide notice protection for the calendar year 2024.

WHAT IF YOU DO NOT HAVE NOTICE PROTECTION?

As always, E&M will help you with your notice, we will just be charging an hourly fee. Our hourly rate starts at \$250/hour.

_____ **YES** I would like to purchase notice protection for an additional fee.

_____ **NO** I would like to opt out of notice protection, I understand there is a \$250+/hour rate for tax resolution.

By signing below, you are acknowledging E&M Tax Services' new Notice Protection. Notice Protection does not protect you from paying additional taxes, interest, or penalties. Notice Protection is a service to provide communication between you and the IRS or state agency. You are ultimately responsible for any taxes assessed by the IRS or state agency.
